### Outlook for 2017 Meeting

Team USA selected itself from the recent USATF National Championships in steamy Sacramento where the major news was 100°F temperatures each day. Athletes placing 4-9 were selected and coaches added a discretionary selection, the defending champ Scott Filip. Team USA has only two returnees from last year's lineup in Fayetteville and this is decidedly a lineup-up of youngsters with only two post collegians. In fact the 2016 team averages 24 years of age with only two over age 23.

Central (IA) grad Kurtis Brondyke, who was 4th a year ago in Fayetteville and Dartmouth coach Tim Wunderlich are the elder statesmen. The remaining five USA team members are current year college students. This group is led by Big Ten champ Steven Bastien of Michigan, an 8015 performer who was 4th at both the recent NCAA and USA national meets. Solid and consistent performers include Duke senior Dan Golubovic (11th at NCAAs, 6th at USAs), Arkansas soph Gabe Moore (12th and 7th), and Texas soph Steele Wasik (10th & 8th), all of whom have posted 7700 scores during the season. Defending champ Scott Filip, a junior at Rice University who

was 5th at the NCAAs (7867) before a vault snafu in Sacramento, was the coaches selection rounding out a deep, talented squad.

Germany's Team Zehnkampf, sent Dennis Hutterer, Tim Nowak and \_\_\_\_\_ to the Euro u23 championships in Bydgoszcz, Poland. And they are holding Rico Freimuth, Kai Kazmirek, Mathias Brugger and alternate Luca Weiland, last year's Big Ten Minnesota champ, for the world champs in London. But their Thorpe Cup lineup is talented and deep, a mixture of experience and youth. They are led by Rene Strauss (almost 30) who was 3rd in 2015 and 2015 and is making his 5th Thorpe Cup appearance. Felix Hepperle (27), Patrick Scherfose (25) and Nico Beckers (23) all have Thorpe Cup background and are solid performers. Youngster Marvin Bollinger (20) who was 14th a year ago in Fayetteville has made significant progress as has 19 year old Ituah Enahoro, an athlete of many nations, who has international experience for both the Netherlands and Nigeria. Sprinter Manuel Eitel rounds out the club.

The selection meeting for the German roster came at the Stadwerke Meeting in Ratingen which experienced good weather. Steffan Press and Georg Zwirner, a veteran of 9 Thorpe Cups, will coach the German team.

**As always, there is no way to forecast the outcome of this meet.**

***There are four reasons why the host German team will be favored:***

- experience:** in the form of Rene Strauss, Patrick Scherfose and Felix Hepperle.
- they have a **timing advantage** since it is now the height of the German CE season and late for the Americans who peaked for the NCAAs and US nationals last month.
- how does one say 'Momentum' in German? Team Zehnkampf has won the six of the last seven men's Thorpe Cups.
- And they are at home so no travel is necessary.

***There are four reasons why team USA will be favored:***

- Team USA broke a six meet losing streak a year ago in Fayetteville and are determined not to give the trophy back.
- The USA team is young but with a good deal of experience. Scott Filip is the defending champ. And having a pair of college coaches (Kurtis Brondyke and Tim Wunderlich) on the roster helps.
- young legs, (five college students)
- no weather conditions can be as bad as they were in Sacramento

Nothing is ever taken for granted at the Thorpe Cup and it is always hotly contested. In 1999 the meet was decided by a miniscule, microscopic, tiny, infinitesimal, atomic... (you get the picture!) five points. One German coach described the margin as "a puff of wind." It was the closest team match anywhere in decathlon history. In 2010 Team Zehnkampf won by two puffs of wind, just 13 points out of a total score of over 77,000. The 2006 winning USA margin in Manhattan was a mere 57 points. This meet will be close. It's always intense, and that's why it's the planet's best team affair.

## Thorpe Cup History

**Now the world's most important nation vs. nation team decathlon**, this meet has been variously called the VISA CUP Meet or the JEEP Challenge. And in 2007 officially took the name of **The Thorpe Cup** in honor of 1912 Olympic Decathlon Champion Jim Thorpe, Carlisle, PA

The concept of an annual team match was initially conceived by VISA-USA team coach Harry Marra and Team Zehnkampf coach Claus Marek in 1993. This is the 20th of a series of annual international team decathlons between the USA and Germany. The US teams holds a 14-9 W-L advantage by breaking a 6 year losing streak last year in Fayetteville, AR. Team USA went 1-2-3-4-5 in 2016 led by a terrific Scott Filip/Harrison Williams dual.

In the current series, the first meeting was arranged in Aachen, Germany in 1993 where Stefan Schmid of Germany and the VISA USA team were victorious. The American team won 6 of the initial 7 team battles. One, the 1999 affair, also in Aachen was decided by a mere 5 points. Team USA got back on the winning side in 2002 with a major win in Walnut, CA, led by Tom Pappas and repeated in 2003 in Bernhausen.

The 2004 meet, scheduled for Kansas State U, was cancelled by the German federation (DLV) in June of that season. In 1996, with the meet in Edwardsville, IL, the USA squad set a world 5 man team record averaging 8121.4 points per man.

Only Kip Janvrin, Mike Maczey and Pappas have won the individual title more than once. See below.

In the years before the current series, USA and German decathlon teams met twice. Team USA won both, with Bruce Jenner getting a world leading score in 1974 in Tallinn, Estonia (tri meet: USA/USSR/ Germany). Team USA won again in 1983 in Baton Rouge, LA. So, counting the two earlier team meetings, the Americans hold a historical 16-9 national team advantage.
